SKILLS

Python   Html   CSS   Javascript

CERTIFICATES

What are you most proud of?

Why are you proud of this achievement?

PROJECTS

Built an CHAT-APP-USING-REACT-AND-FIREBASE-CLOUD-STORAGE

🔗 https://lnkd.in/g6cRxgXJ

Chat-app is a modern and feature-rich chat application that provides users with a seamless and secure way to communicate with friends, family, or colleagues. Leveraging the power of React for a smooth and responsive user interface, and Firebase Cloud Storage for robust data storage and real-time capabilities, Chat-app delivers a top-notch messaging experience

INSTAGRAM CLONE USING HTML AND CSS

🔗 https://github.com/webdeveloper-fresher32/INSTAGRAM-HOMEPAGE-CLONE-USING-HTML-CSS.git

The Instagram Clone is a visually appealing and responsive web page that closely replicates the layout and design of Instagram's home page. It provides users with a familiar and immersive experience, showcasing the key elements of Instagram's web interface.

PORTFOLIO

🔗 https://lnkd.in/gncv8rCk

Built an portfolio website to display my info and my interest towards my passion

SUMMARY

As a recent graduate with a Bachelor's degree in [Your Relevant Field], I am eager to launch my career as a web developer. My strong foundation in web development technologies, including HTML, CSS, JavaScript, and responsive design, coupled with my passion for creating innovative and user-friendly websites, makes me a valuable asset to any team. I am highly motivated, quick to learn, and dedicated to staying up-to-date with industry trends. I am excited to contribute my skills and creativity to help businesses thrive in the digital landscape.
